

FREE DYSLEXIA SCREENINGS

with Phyllis Books, MA, DC, CCN, DACBN

Join Dr. Books for a free dyslexia screening to see if your child fits the profile for neurologically-based issues that accompany dyslexia and other learning and behavior issues. Determine if there are natural solutions for your child's issues, as well! Screenings are done on a first come, first serve basis, or call ahead for a 10-15 minute time slot.

Saturday, June 14th, 2014 from 2-4pm
